STORYBOARD
FOR A SHORT ANIMATED MOVIE

THE LOST ENVIRONMENT

graduation project at the SAE Institute Belgrade
2020

Shot 1

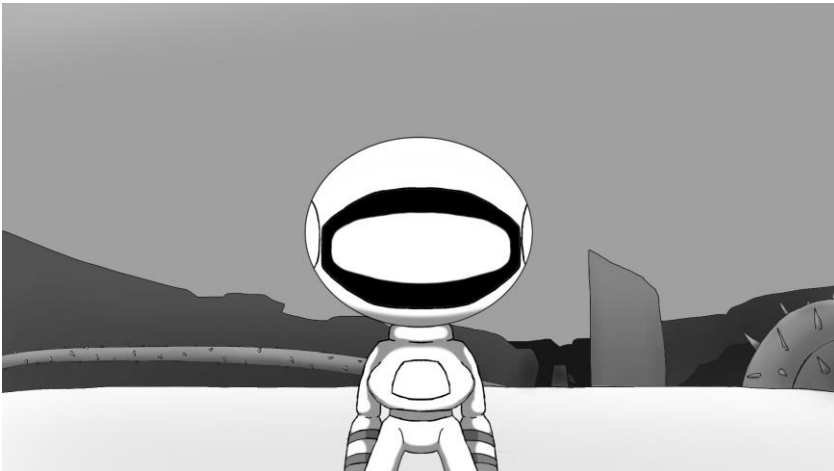

View: Establishing shot.

Description: A spaceship has crash landed on a certain planet.
The robotic Astronaut gets up, only to fall on the ground again.

Time: 2 sec.

Shot 2

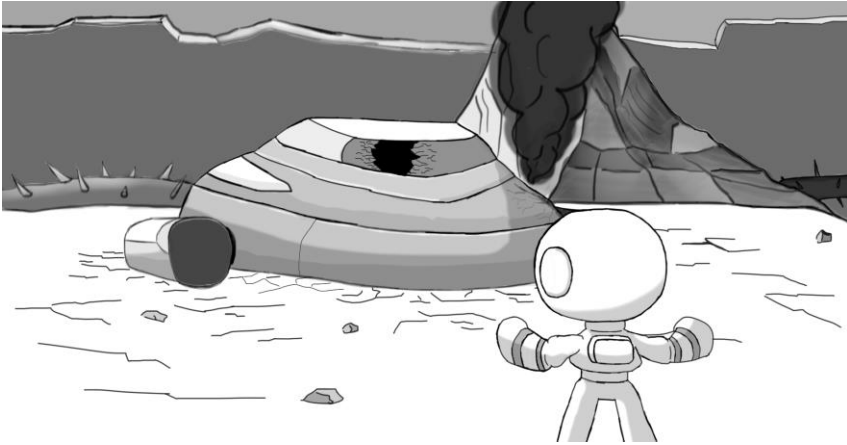

View: American.

Description: The Astronaut gets up and gets shocked when they look at their ship.

Time: 1 sec.

Shot 3

View: Hip level.

Description: The Astronaut notices that their ship is in a huge need for repairment. They turn around to look at the planet.

Time: 3 sec.

Shot 4

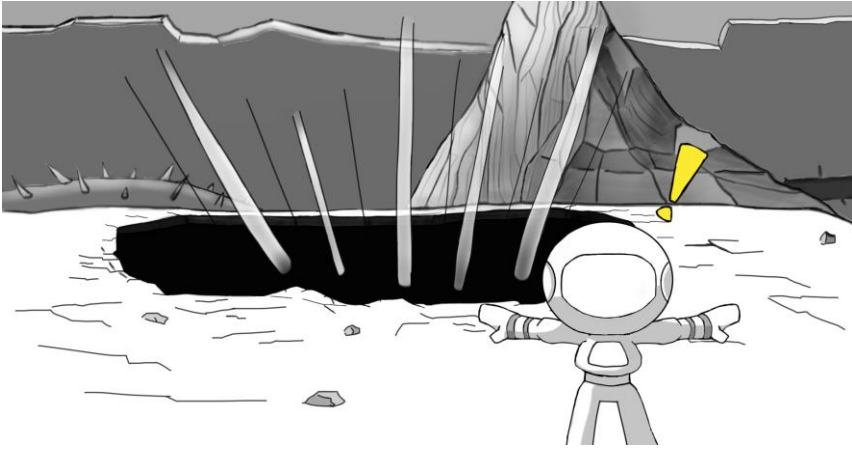

View: (Astronaut's) Point of view

Description: There is apparently another living being around but gets killed by a cactus that has risen from the ground.

Time: 1 sec.

Shot 5

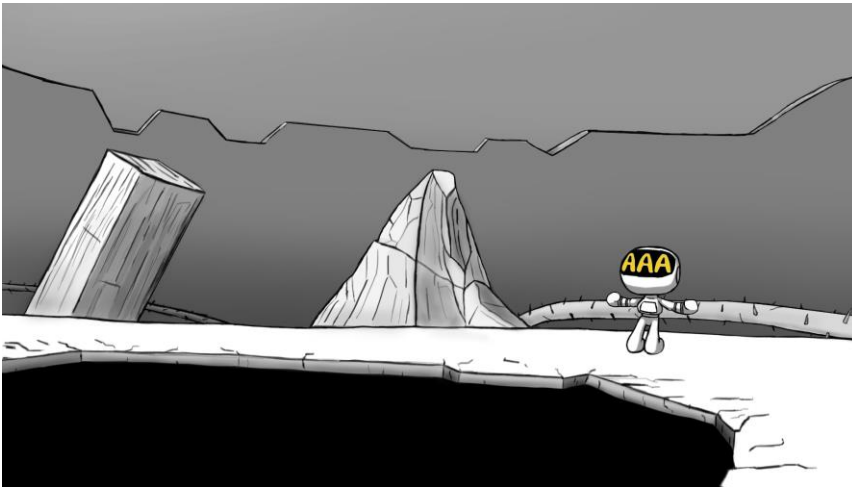

View: Hip level.

Description: Ground breaks which causes Astronaut's ship to fall deep down.

Time: 2 sec.

Shot 6

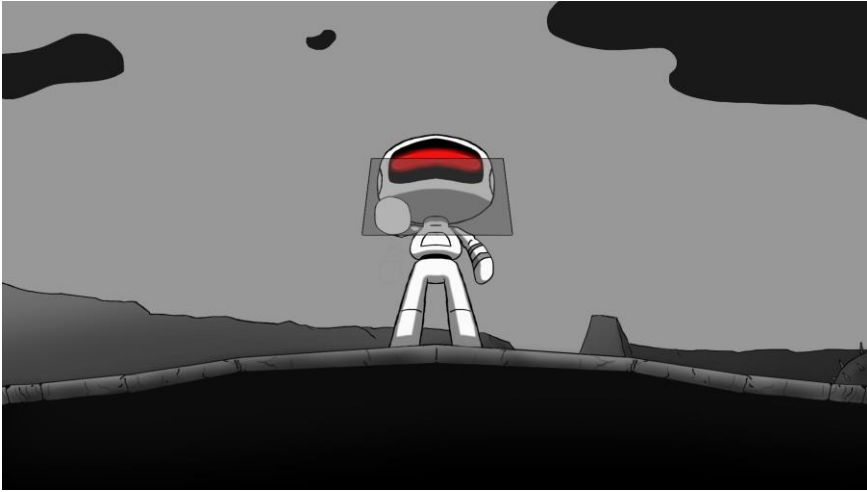

View: Establishing shot.

Description: The Astronaut gets upset over losing his ship.

Time: 3 sec.

Shot 7

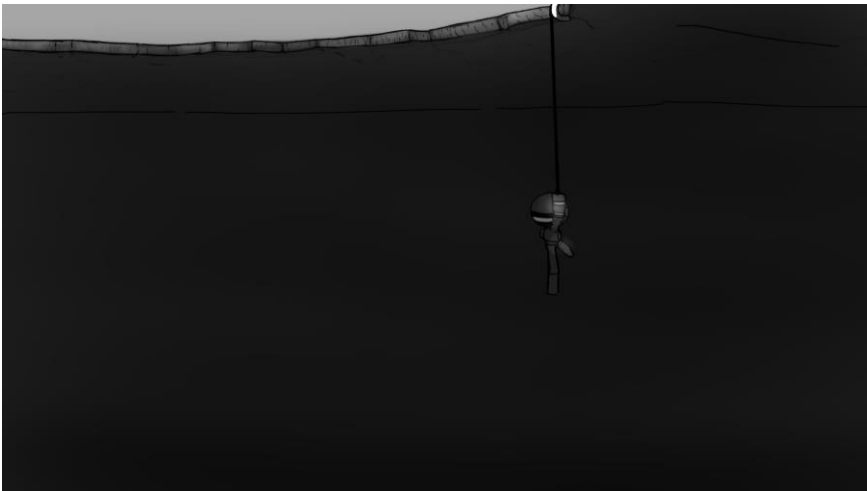

View: Low angle.

Description: The Astronaut has no choice but to go after their ship, so they activate hook on one hand to climb down, and blaster on other for danger.

Time: 3 sec.

Shot 8

View: Establishing shot.

Description: The Astronaut goes down to the ground. It's dark so they turn on lights.

Time: 2 sec.

Shot 9

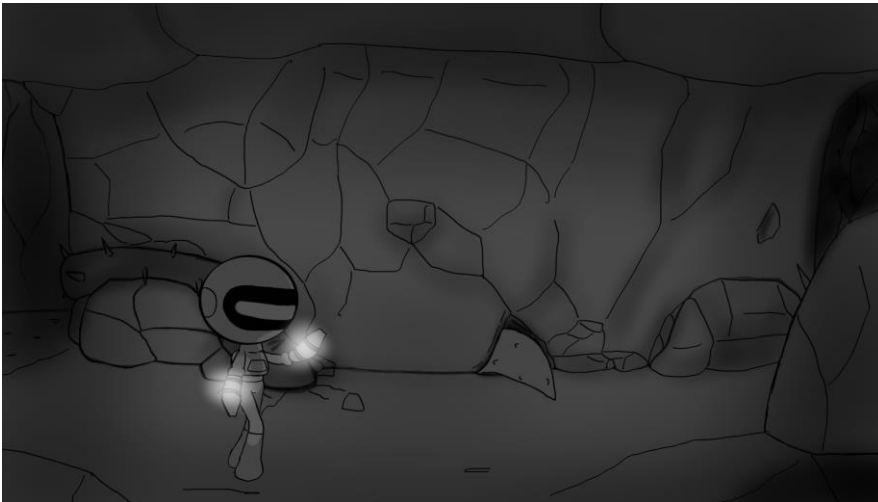

View: Full shot.

Description: The Astronaut lands on the ground but their ship still isn't there.

Time: 2 sec.

Shot 10

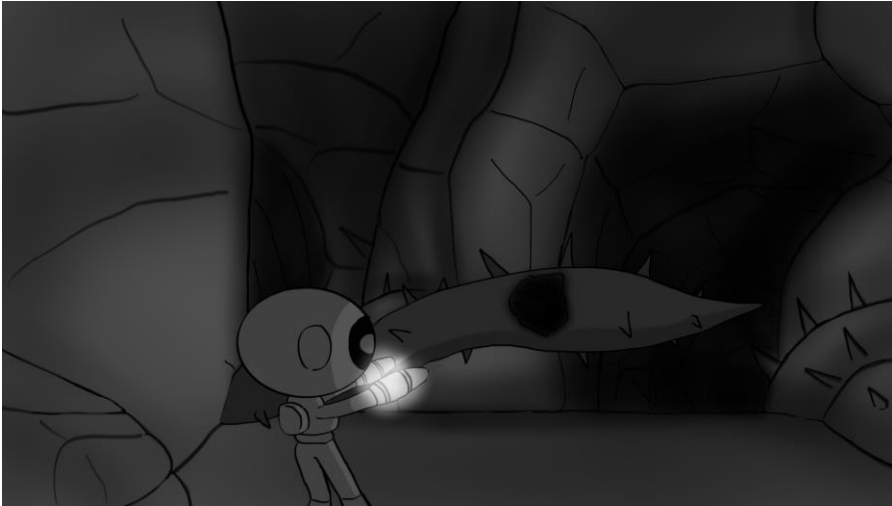

View: Full shot.

Description: The Astronaut is searching for their ship, gets attacked by a spiked vine and shoots in self-defense.

Time: 5 sec.

Shot 11

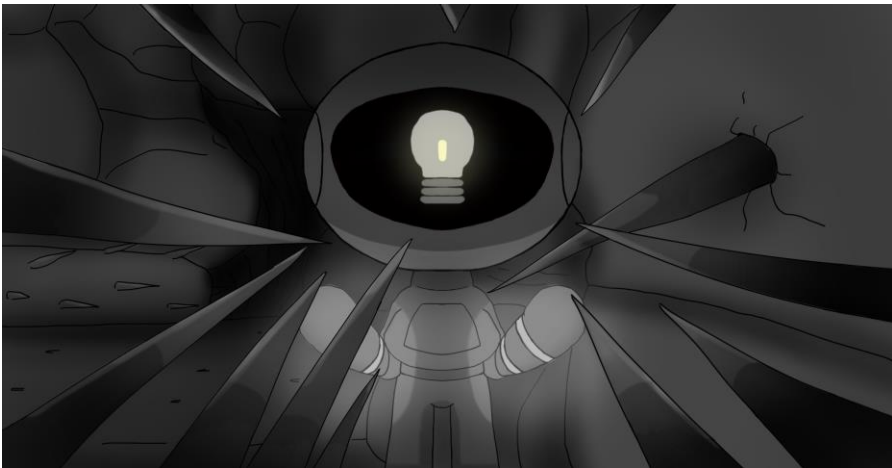

View: Hip level.

Description: After the Astronaut damages the vine, it turns around and a lot of spikes emerge from ground pointing closely at Astronaut.

Time: 3 sec.

Shot 12

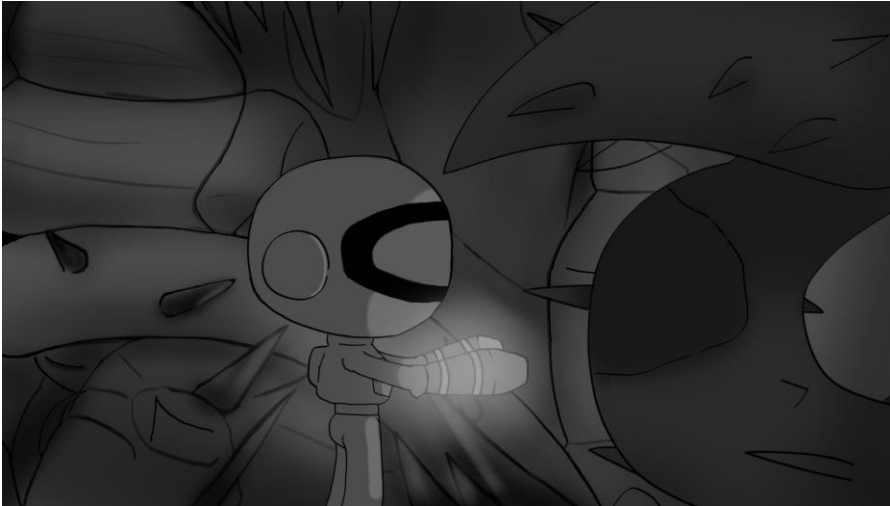

View: American.

Description: As spikes surround the protagonist, they begin to come up with an idea.

Time: 3 sec.

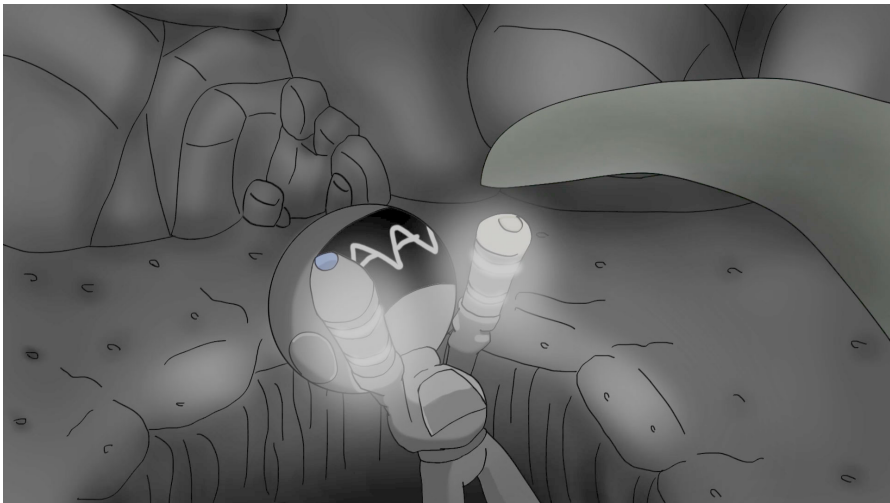

Shot 13

View: Hip level.

Description: Astronaut stands still and pours light and water to try and heal the vine risking their life. Vine and spikes calm down, lower their spikes but the vine drags Astronaut into a hole.

Time: 5 sec.

View: Top down.

Description: Astronaut falls into a pit while reformed plant waves at them.

Time: 3 sec.

Shot 15

View: Establishing shot.

Description: Astronaut wakes up in a room with low light and surrounded by vines and sees the core of roots and vines.

Time: 3 sec.

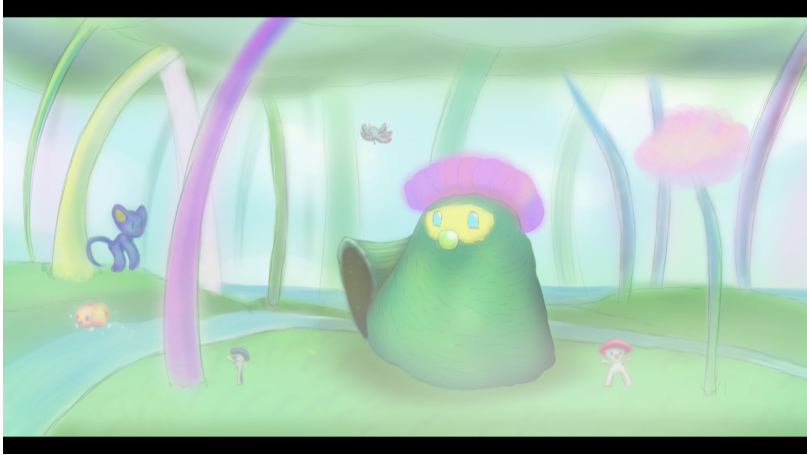

View: ?

Description: Astronaut and the plant's core are looking at each other.

Time: 3 sec.

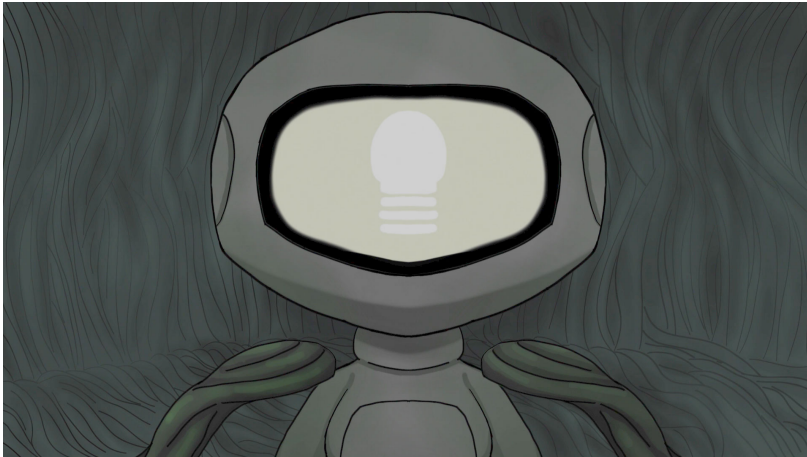

Shot 17

View: Close-up.

Description: As plant touches the Astronaut, they suddenly get the idea of the entire place they are in as camera zooms at their screen to show flashback images.

Time: 10 sec. (along with flashbacks)

View: Close-up.

Description: Still the same pose and view as before but the lightbulb forms on screen of Astronaut's face.

Time: 3 sec.

Shot 19

View: Hip level.

Description: The Astronaut gives the plant idea of offering to help fix this place through bubbles and both shake hands. This the final shot before credits roll.

Time: 10 sec.
